Dear Spring Meadow Homeowner(s):

We are pleased to announce that the Spring Meadow Community Pool will open Saturday, May 3rd! The pool season will run from May 3rd through September 28th. The daily hours of operation will be 8:00 am – 8:00 pm.

Please be advised this is a Swim at Your Own Risk facility. The Spring Meadow pool will be a maintenance only pool and will not have attendants or lifeguards present during operation as this is not required per permit. The pool is available for use only by residents of Spring Meadow and their guests.

The following documents are enclosed with this mailing:

- Amenity Opening Announcement
- 2025 Spring Meadow Pool Rules & Regulations

Please ensure that you review all policies provided prior to entering or utilizing the facilities and/or community pool.

All owners will be able to obtain access via key fob. The key fobs will provide access to all owners during the hours of operation provided in this letter and in the Spring Meadow Pool Rules & Regulations. Each residence is allowed up to two (2) active key fobs.

If you would like to request an additional key fob, a replacement key fob, or report a non-working key fob, please contact Cusick Community Management or submit a pool fob form via communitysupport@cusickcompany.com. This form is available on the community website, under Pool Information. Replacement or additional key fobs are \$25 per fob.

We appreciate everyone's cooperation in maintaining a safe and respectful environment at the pool. If you have any concerns or observe misuse of the facilities, please report this to Cusick Community Management via communitysupport@cusickcompnay.com.

The Board of Directors and Cusick Community Management would like to wish all of you a safe and enjoyable pool season!
